

SARAH MANLEY

<http://sarah-manley.com>

3877 Grand View Blvd. #171

90066

Los Angeles, CA

(562) 857-7208

» EMPLOYMENT

2009 - present

Freelance

- TRU Events (<http://truevents.com>)
Helped build out TRU Events responsive, one-page scrolling HTML5 website using HTML5, CSS3, and jquery. Added Twitter and Instagram feed functionality using oAuth 2.0.
- Crowne Plaza Mobile Nav (<http://cpredondobeachhotel.com>)
Built on jQuery mobile, the expanding/collapsing nav features a representative photo for each subsection, styled in CSS3 and cropped/resized by the CSS depending on phone screen size.
- Street Chic Boutique (<http://development.stretchicboutique.com>)
Used Prestashop ecommerce framework to develop website for online clothing store. Created design & graphics.

July 2005 - July 2009

Web & Flash Designer/Developer

ad2 Interactive Solutions

Was responsible for HTML / CSS / jQuery / AJAX implementation, XML / SQL Server / .NET template integration, as well as Flash design and development utilizing both Actionscript 2.0 & 3.0. Clients included Zildjian Cymbals, Pabst Brewing Company, as well as 15 Pabst sub-brands, Miller Icehouse, Sanyo Corporation, Southern California Edison and Smithsonian Institute.
